

Catering and Group Takeout Options

Pricing update – January 10, 2018

Thank you for considering our catering services. We have provided a list of different catering options available. We are by no means limited to those items listed below. We would be happy to provide a quote. We only cater to equipped facilities where we can cook onsite. We do not believe in transporting food in storage containers that are served at less than desirable temperatures.

Our family has been catering since 1969, starting our careers at the Primrose Gardens. We moved to the Oaks Inn in 1984 where we remained for nearly 30 years. We are not stationed at the Black Goose Grill in downtown Wallaceburg and the bulk of our catering is done out of the UAW Hall in Wallaceburg. We offer buffet, plate and country-style meal options. We also offer drop and go catering and hot meal pickup with significant savings.
